

Gas TraxMaxx Rail Drill

Product # 910195

The TraxMaxx compact design allows the operator greater flexibility in tighter work areas. The single pull handle also incorporates the engine throttle to control the spindle speed. No tools necessary to change cutters or rail shoes. This drill is one of the most economical on the market.

Key Features:

- Equipped with a Honda G35 4-cycle engine for plenty of torque, power, and reliability
- Equipped with a quick disconnect chuck that is compatible with a variety of cutters
- The carry handle also doubles as a roll cage to protect the engine and its components
- Pressurized coolant bottle

Options:

- See attached manual for available rail shoe and cutter sizes

Specs:

- Honda, 4-cycle engine

Dimensions:

Length: 22" (~56 cm)

Width: 22" (~56 cm)

Height: 17" (~43.2 cm)

Weight: 44 lbs (~20 kg)
