

# Ultra Kut III Gas Saw

Product # 910196

The Ultra Kut III uses the new Husqvarna K1270R power head, specially designed for heavy-duty use. Top or side cutting is available with our lightweight clamp and arm assembly. The unique turn-around feature allows the operator to rotate the saw and cut from the other side of the rail without removing the clamp and arm assembly.

## Key Features:

- Includes a decompression valve for ease in starting and electronically governed over-speed protection
- Longer rail clamp arms allow an increased range of motion and less operator fatigue
- One of the lightest saws on the market. Weighing only 42 lbs (56 lbs, including clamp and arm assembly)
- Aluminum wheel guard repels slag, lessening buildup over time
- Heavy-duty filtration system for more cuts with less maintenance and longer lifespan
- Air injection with a centrifugal cleaning system, allowing cooler, cleaner air to enter the air chamber

## Options:

- 175 lb Crane Rail accessory sold separately

## Specs:

- Engine: Husqvarna K1270R 2-cycle
- Engine Displacement: 119 cc

## Dimensions:

Weight: (Power Head): 42 lbs /~19.05 kg (56 lbs /~25.6 kg including the clamp and arm assembly)
