

Hydraulic Spike Puller (Economy)

Product # 910199

The economy Spike Puller is the most economical puller in the marketplace, offering 12,500 lbs of pull force. Jaws are in a ready-to-pull position when approaching the spike. Jaws automatically release the spike as the trigger is disengaged. Highly portable and lightweight, this spike puller is perfect for short-line railroads.

Key Features:

- Lower leg incorporates reinforced bottom and enclosed chute to eliminate spike jams
