

Trak-Pak 3 Power Unit

Product # 910202

The Trak-Pak 3 is equipped with a 22 hp Honda GX-690 electric start four-cycle engine that offers 22% more horsepower than other power units on the market. It offers a large 9-gallon hydraulic reservoir and heavy-duty oil cooler with a thermostatic electric fan to maintain a low hydraulic oil temperature, which will increase tool performance and extend the life of your tools.

Key Features:

- The Trak-Pak 3 comes standard with a combination digital engine hour meter/engine tachometer and hydraulic oil level
- Its open design allows easy access to all components, including a large hydraulic tank cleanout
- The large muffler offers excellent sound suppression for a quieter and safer work environment
- A heavy-gauge steel frame, roll cage, and lifting bale are standard for the protection of components and easy maneuvering

Options:

- Wheel Assembly
- Flow Divider
- Hose Reel, RRP Part No: 716610
- 50' Hose Set, RRP Part No: 465671
- 60" Hose Jumper Set, RRP Part No: 465672
- Wheel Assembly (Retrofit with wheels RRP Part No: 470162)
- Pressure Gauge Assembly (Retrofit with kit RRP Part No: 470163)
- Flow Meter Assembly (Retrofit with kit RRP Part No: 470164)
- Hydraulic Selector Valve Assembly (Retrofit with kit RRP Part No: 470165)
- Directional Control Valve Assembly
- 2 Split Circuits

Specs:

- Engine: Honda GX-690
- Fuel Tank Capacity: 7 gallons (~26 L)
- Circuit: 5/10 GPM @ 2000 psi (~19/~38 LPM @ 138 bar)
- Hydraulic Tank Fill Capacity: 9 gallons (~34 L)

Dimensions:

Length: 40 in. (~101 cm)

Width: 24 in. (61 cm)

Height: 30 in. (~76.2 cm)

Weight: 380 lbs (~172.4 kg)
