

Hydraulic Tie Drill 910157

INNOVATIVE DESIGNS FROM RACINE RAILROAD PRODUCTS

Fasts and Efficient

The Hydraulic Tie Drill is designed for drilling starter / spike holes in wood railroad ties.

- It has a built-in depth stop for safe and accurate hole drilling.
- Holes can be drilled quickly and economically.

Operatory Safety

- Ergonomically designed to drill holes from a standing position to help reduce back pain.
- Trigger Lock
- Hydraulic hoses are not in contact with operator hands for added safety
